Sec. 6. Postpone to Time Certain. No motion to postpone to a time certain, to commit, or to postpone indefinitely being decided, shall again be allowed on the same day at the same stage of the bill or proposition.

Sec. 7. Reconsideration. (a) When a question has been decided, it shall be in order for any member voting with the prevailing side, or not voting, to move for a reconsideration thereof. A motion to reconsider must be made on the same day the original question was decided or on the next legislative day, except when it be to reconsider the vote on a bill which lacked the constitutional majority on a Final Reading. In such case, it must be made on the same day the original question was decided or on one of the next three legislative days. A motion to reconsider must be disposed of by the Legislature within five legislative days after making the same or it shall be deemed defeated. If the Legislature shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no further motion to reconsider shall be in order unless by unanimous consent.

Motion to reconsider cannot be withdrawn without leave. Rule 7, Sec. 3.

(b) Every motion to reconsider shall take preference over all other questions, except a motion to adjourn.

(c) For its adoption, a motion to reconsider shall require the vote of a majority of the elected members, except:

- i Where such motion be to reconsider the vote on a bill which lacked the constitutional majority on a Final Reading, then a three-fifths vote shall be required for adoption.
- ii Where such motion be to reconsider the vote on a bill which lacked the constitutional majority on a Final Reading with the emergency clause attached, but which received the constitutional majority with the emergency clause stricken and the purpose of the motion is to again add the emergency clause, then a two-thirds vote of the elected members shall be required for adoption.

Sec. 8. Strike the Enacting Clause. A motion to strike the enacting clause if adopted, is equivalent to rejection of the bill. It shall not have

RULE 7

precedence over a motion to amend nor a motion to indefinitely postpone.

Sec. 9. Motion to Adjourn. A motion to adjourn shall be in order, except:

- a. While a member is speaking.
- b. When a motion to adjourn has just been defeated.
- c. After the Final Reading of a bill and during roll call thereon.

A motion to adjourn to a time certain shall have precedence over a motion to adjourn. A motion to recess shall take precedence over either of such motions.

When a motion to adjourn has been made, the Speaker shall be privileged to speak to the motion prior to any vote on such motion, otherwise a motion to adjourn is not debatable.
